B. I. INTRODUCTION. 7 It is farther my opinion, that the assemblage of that ar- mament by Agamemnon was not owing so much to the at- tendance of the suitors of Helen in pursuance of the oaths they had sworn to Tyndarus, as to his own superior power. 4t is related by those who received from their ancestors the most certain memorials of the Peloponnesian affairs, that Pelops, arriving there from [Asia](#) with abundance of wealth, soon gained so great an influence over those needy people, that, though a foreigner, he had the honour to have the Country called after his own name; and that the power thus gained by him was successively enlarged by his posterity. Eurystheus indeed, whose mother was the sister of Atreus, perished in [Attica](#) by means of the Heraclida e; and Euryst- heus, when he departed on that expedition, left the govern- ment of [Mycenae](#) and his kingdom, because of his affinity, in the care of Atreus, who then resided with him, having fled from his father upon the murder of Chrysippus. When therefore the return of Eurystheus was prevented by death, and the Mycenaeans

Semantic Web

In a hole in the ground there lived a hobbit.

Not a nasty, dirty, wet hole, filled with the ends of worms and an oozy smell, nor yet a dry, bare, sandy hole with nothing in it to sit down on or to eat: it was a hobbit-hole, and that means comfort.
